Fun Fridays

5 - 10 years

Fridays
4 – 6pm

Fun Fridays is new group for younger children aged 5-10 year olds. This group is focused on children with complex needs, including autism and sensory needs. This group is for, but not limited to children and young people who are Short Breaks eligible.

The focus is on developing the children's communication and social development: using sensory play, arts and crafts, stories and music as well as community based activities to give the children a chance to develop these skills and have a lot of fun.

The staff team work closely with each child to give them an opportunity to make the most of each session, encouraging group participation and engagement with activities and those around them. Staff work on engaging the children and developing communication through various methods such as: intensive interaction, multi-sensory play, art and music.
