CENTRE404

We want to grow a strong voice for carers in Camden, a voice that will be listened to by the council when they design and deliver services, and for that we need to hear your ideas and experiences.

- A chance to discuss the issues that are important to you
- A unified and powerful voice for carers
- Hear about what the Council has been doing and feedback to them about your experiences
- An opportunity to influence the planning, development and delivery of services

Dates for 2017

- **Wednesday 18th January 2017**
- **Wednesday 29th March 2017**
- **Wednesday 17th May 2017**
